Convene • Connect • Commit

This year we will convene community, business and civic leaders, government officials, community based organizations and elected officials to showcase the great work being done to fight poverty regionally. By connecting people and identifying strategies within the themes below, we can focus on and commit to the work of rooting out poverty on national, state and local levels.

Action Themes

INVEST IN THE FUTURE

MAXIMIZE PARTICIPATION

ENSURE HEALTHY PEOPLE & PLACES

MAXIMIZE EQUALITY OF OPPORTUNITY

**BUILD AN ECONOMY THAT
WORKS FOR EVERYONE**

Keynote: Paul Polak

Our keynote speaker is author, Paul Polak, who will share a practical guide to problem solving that helped him address the root causes of poverty worldwide, one that honors the entrepreneurial spirit of the poor themselves. You are invited to join the “revolution” started by Polak with the writing of his recent book, **Out of Poverty**, in which he describes an alternative approach to mainstream poverty eradication programs that has already succeeded in lifting 17 million people out of poverty.
