## HOMEAID NORTHERN CALIFORNIA

HomeAid is a national non-profit organization that builds and renovates shelters for America's temporarily homeless. Founded in 1989 by the Orange County chapter of the Building Industry Association of Southern California (BIASC), HomeAid has expanded throughout the country as a national pioneer in building housing for the temporarily homeless. With 22 chapters in 11 states, HomeAid is helping to reduce the growing number of temporarily homeless.

## NORTHERN CALIFORNIA ENGINEERING CONTRACTORS ASSOCIATION

The Northern California Engineering Contractors Association (NCECA) is the only professional trade association of both union and non-union general engineering contractors in Northern California. The association has more than 100 member companies, which include contractors and affiliates. It is a member-driven organization dedicated to the promotion of the engineering construction industry through education and training, advocacy and community relations.

## COMMUNITY ACTION PARTNERSHIP OF SONOMA COUNTY

Community Action Partnership of Sonoma County formerly SCPEO has been partnering with low income families and individuals to help them achieve economic and social stability; to build community, and to advocate for social and economic justice for the past thirty-five years and has a rich history and strong allies such as Christopherson and Cobblestone Homes here in Sonoma County.
